## AUDIT & ATTESTATION SERVICES

---

### External or Statutory Audit

- Mandatory requirements by different free zones like DIFC, DMCC, Jafza, DAFZA, etc.
- Audit report is required for getting facilities from Banks and Financial Institutions in the UAE
- Required for submission to the Group Auditors or to the Head office of the concerned company
- For shareholders of the company in general
- For Liquidating companies in the UAE

### Internal Audit

- Internal audit reviews organizational policies and procedures and monitor them and give recommendations for its improvement.
- Ensures compliance of laws and regulations
- Effective tool for risk assessment and risk management
- Increases the operational efficiency

We will be performing audit as per the International Standards on Auditing (IAS) and the applicable frameworks;

- International Financial Reporting Standards (IFRS)
- Generally Accepted Accounting Principles (GAAP)
- Applicable Requirements of the UAE Laws

## COMPANY FORMATION

UAE is a global business investment hub for the past few decades. This is one of the best places in the World to do business due to ease of procedure and minimum regulations. MAATS assist in business formation in the mainland of Dubai, free zones and offshore.

## LISTEN TO OUR HAPPY CUSTOMERS

---

### DEEPU RAMBETH

REGIONAL CONTROLLER  
APAC & MEA, SSI SCHAFFER

*MAATS Accountants and Consultants have been assisting us for many years. We have always been impressed by the team's expertise and understanding of complex mixture of trading, service and installation businesses. Apart from that, they have excellent knowledge in the UAE taxation laws especially VAT laws. They have helped us in understanding and efficiently implementing the VAT accounting and filing mechanism in the UAE. Their knowledge and expertise in the IFRS (International Financial Reporting Standards) helped us in adopting the various financial reporting standards (eg. IFRS 16- leases). They are always available either via telephone or email.*

### MARK SUTHERLAND

MANAGING DIRECTOR  
Group Origin DMCC

*Mr. Vjith and his team at MAATS Accounting and Consultants have been instrumental in our accounting, audit and VAT procedures over the past few years. Their service has been exceptional value for money and helped us confidently focus on our core business. I have no hesitation in recommending MAATS for financial consultancy services.*

### **MR. NITUL LAKSHMAN**

DIRECTOR

Pal Auto Garage Group

*MAATS Accountants and Consultants have been our adviser for many years and we have built a very close working relationship. They supervise our accounting systems and records for many years and advise on the improvements on the same. They do the VAT filing following the guidelines of the UAE VAT law and advise on the VAT related aspects. We feel this is key to our business since this out sourcing helps us focus on our business activity.*

### **MR. SAHEED PALKANDY KOTTOTH**

MANAGING DIRECTOR

Makati Group of Companies (Middle East, USA and Far East)

*We have been with MAATS Accountants and Consultants since 2007 for our accounting and VAT aspects in the UAE, KSA and Singapore. We have been in search of someone who would not only be our accountant but also could advise on the financial side of the business as well. I found MAATS accounting services as the right choice. Mr. Vijith and his team is reachable even when I was moved some business to the USA. I have recommended and would recommend them to my friends and business fraternity.*
